

Market Structure and Forecasts

Market Structure and Forecasts delivers statistical data, information about foodservice operators, and insights into the foodservice sector. It offers up-to-date, detailed information about trends and developments in foodservice and is used by investors, distributors, operators and manufacturers. In putting it together, we have drawn on over 30 years' research and experience in the market.

You can access this unique information online via Horizons on Demand, by spreadsheet or in in hard copy:

- Detailed foodservice-specific facts and figures - 140 different market measures covering 100 sectors and sub sectors, grouped into 9 categories: restaurants, QSR, pubs, hotels, leisure, staff catering, health care, education and services
- Up-to-the-minute market analysis - expert commentary on events as they happen
- Recent trends and annual forecasts for the next five years

By taking out an annual subscription, in addition to the above information, you will also have access to:

- A special telephone hotline service - we answer your questions on the spot!
- Discounted rates on our Key Club workshops.
